

PearlStreet Victorian Bushfires Appeal

Communities across Victoria have been devastated by more than 400 bushfires that have swept across the state in the most severe weather conditions we've seen in our history. Many Victorian families are now facing the task of having to rebuild their lives after devastating loss.

In response to the Victorian bushfires, PearlStreet is encouraging staff to contribute to our Victorian Bushfires Appeal. All donations will go to the Victorian Bushfires Relief Fund and **PearlStreet will match every dollar contributed by employees on a dollar for dollar basis.**

Employees are asked to make their donation by way of a one-off payroll deduction. PearlStreet will then match each employee donation and remit all monies to the Appeal. Donations made by employees will be tax deductible, with their payslip showing the deduction serving as a receipt.

To participate, employees should complete the one-off payroll deduction form which will be attached to their next payslip. The deduction will be made in the next available pay period.
